

**Yr11 Exam provision timetable** begins Thursday 7th May. The timetable ensures the collection of required attendance data throughout the exam period. All students are required to attend registration. This allows continued well-being check-ins and readiness for **exams**. Students with **exams** then attend their exam venues as per timetable. **All other students follow the normal timetable**. At the end of **exams**, students have access to the canteen, front yard and toilets before returning to their normal lessons. **Early lunch** is planned for students with pm **exams**. **Ready Sessions** are built into the timetable to allow final checks prior to exams. These show the subject, teacher and period.

**\* Cover required**
